---

"Jesus can make those happy who trust Him and call on Him, whatever be their outward condition. He can give them peace of heart in a prison - contentment in the midst of poverty - comfort in the midst of bereavements - joy on the brink of the grave. There is a mighty fullness in Him for all His believing members - a fullness that is ready to be poured out on every one who will ask in prayer. Oh, that men would understand that happiness does not depend on outward circumstances, but on the state of the heart.!
