#### **The Pilgrim's Progress: The Journey Begins**

The most popular book of all time (next to the Bible) is coming to movie theaters for the first time ever as a feature length, animated movie! In John Bunyan's Masterpiece, The Pilgrim's Progress, we will join Christian on his epic journey from the City of Destruction to the Celestial City as the ultimate enemy tries everything in his power to distract him from his journey. This allegory challenges and strengthens young believers and draws them into the journey we all face like none other in history. This is the one movie our kids can't miss. Make plans to join us!

FYI...The movie will be shown in Joplin for only two days, **Thursday, April 18<sup>th</sup> at 7PM & Saturday, April 20<sup>th</sup> at 12:55PM.** The Snow Family is planning on attending the Saturday show & we would love to have you join us. Group tickets are available if we have 10 or more attending. Please let us know ASAP if you will be able to attend.

In all your course, walk with God  
and follow Christ as a little, poor, helpless child,  
taking hold of Christ's hand,  
keeping your eye on the mark of the wounds on his hands and side,  
whence came the blood that cleanses you from sin  
and hiding your nakedness  
under the skirt of the white shining robe of his righteousness.
