Are You Washed In The Blood

Does our Lord require us to neglect any of the duties of life, in the expectation of His return? He requires nothing of the kind. He does not bid the farmer neglect his land, or the laborer his work, the merchant his business, or the lawyer his calling. All He asks is that baptized people should live up to the faith into which they were baptized — should live as penitent people — live as believing people — live as people who know that "without holiness no man can see the Lord." So living, we are ready to meet our Master. Not living in this way, we are neither fit for death, judgment, nor eternity. To live in this way is to be truly happy, because it is to be truly prepared for anything that may come upon the earth. Let us never be content with a lower standard of practical Christianity than this. The last words of the prophecy are peculiarly solemn — "What I say unto you, I say unto all, Watch!"

Help Wanted

The Proclamation Youth Choir will be having a Pre-Concert Fun Day on Saturday, April 6th from 10am-4pm at the Victory Complex Center in Joplin. Since we have approx. 65 youth participating in the choir, we have reserved the facility and will have it to ourselves. We are asking all church members to assist with chaperoning & helping at the event. We also need A LOT of snacks, such as cookies, cupcakes, candy, etc. Lunch will be provided. A sign-up sheet is located on the refrigerator in the basement. Please see either Hannah or Melissa for more information.

The Pilgrim's Progress: The Journey Begins

The Pilgrim's Progress movie will be shown in Joplin for only two days, Thursday, April 18th at 7PM & Saturday, April 20th at 12:55PM. If you pre-purchased a ticket through Crosspoint, the cost of the ticket is \$11.00. Please place the money in an offering envelope & put it in the offering plate. It would be extremely helpful if you would write on the envelope the money is for the movie.
