Let us rest our souls on the thought, that all around us is ordered and overruled by God's almighty wisdom. The course of this world may often be contrary to our wishes. The position of the Church may often be very unlike what we desire. The wickedness of worldly men, and the inconsistencies of believers, may often afflict our souls. But there is a hand above us, moving the vast machine of this universe, and making all things work together for His glory.

#### **Wednesday Evening Prayer Meeting**

Join us Wednesday evening at 7PM as we turn our focus to prayer. So many of us struggle with prayer and when we do pray, when often don't know what to say. We will be using Alistair Begg's new book, *Pray Big*, as our guide to examine Paul's prayers for his friends in the church of Ephesus. The truths that underpin and shaped his prayers will motivate us to pray and set us an example.

"The condition of the church may be very accurately gauged by its prayer meetings. So is the prayer meeting a grace-ometer, and from it we may judge of the amount of divine working among a people. If God be near a church, it must pray. And if He be not there, one of the first tokens of His absence will be a slothfulness in prayer!"
