---

“Pilate yielded to the pressure of the rulers and gave sentence that Jesus should be crucified...He knew well that Jesus had done nothing worthy of punishment...He went through the farce of washing his hands before the rulers, saying that he was not responsible. But the stain upon his soul - no water could wash off; the brand of dishonor marks his name with an immortality of shame. The lesson is for us. We have our opportunity to stand for truth and right. What shall we do with Jesus, who is called the Christ?”

#### **Video Recommendation**

If you subscribe to Amazon Prime, be sure to check out this video: Adoniram and Ann Judson: Spent For God. The Judson's were the first American missionaries sent abroad from the United States. The couple sacrificed enormously to bring the gospel to the people of Burma. This video is especially interesting, as the Karen people we minister to from Noel are from Burma.
