*Excerpt from the Sermon, Christmas Making*

*By J.R. Miller, 1910*

*"Glory to God in the highest, and peace on earth to men on whom His favor rests."*  
Luke 2:14

There were two parts in the song the angels sang the night Jesus was born. The first part, was an outburst of *praise* to God. *"Glory to God in the highest!"* God should always be put *first*. He should be first in our hearts, first in our love, first in our worship, first in our trust. It was fitting that the first note of the angels' song, should be to God. The great blessing of that night, was God's unspeakable gift to men, and to God—the highest honor should be raised. *"Glory to God!"* Before we begin our rejoicing at the Christmas time—we should bow reverently before God and praise him.

The second part of the angels' song, referred to the meaning of Christmas to this world, to the blessings it would bring to His people, to the change and transformation it would work. *"On earth peace, good-will toward men."*
