Hymn of Reflection By Faith

The church in Rome was far from a perfect church and had a lot of problems. But Paul says the faith of the Romans was being reported all over the world. There was an echo, there was an aroma, there was spreading news about what they believed and how they lived what they believed... This is true Christianity—making known the gospel of Jesus Christ and its impact on people's lives all over the world. True Christianity is a missionary faith that professes the universal lordship of Christ and that saturates the world with the aroma of the gospel.

*First, I thank my God through Jesus Christ for all of you,
because your faith is proclaimed in all the world.*
