**How terrible is the nature of sin!**

It demands an atonement for us,  
such as only God in our nature could render;  
or it will bring down eternal punishment upon us!

**How wondrous the grace of Jesus!**

He condescended to undertake the mighty work of putting away sin  
by the sacrifice of himself.  
He died, the just for the unjust, to bring us to God.

-James Smith, 1860-
