---

If through grace we have repented and sought mercy through Christ, if we have come unto God by Him and have thus become reconciled, justified, and at peace — then we may well hope in His love. If He sought us when we were afar off — then will He not receive us now that we have come near? If He had compassion on us while we were yet in our sins — then well may we think with comfort of His mercy and love when we have turned to Him and sought Him in Christ Jesus.

Francis Bourdillon, 1864

For any questions &/or concerns, please see one of the Elder's.

### He Will Hold Me Fast

This morning, we will sing one of our favorite hymns, *He Will Hold Me Fast*. The lyrics were originally written by Ada Habershon in 1906, upon returning home from hearing a sermon by Dr. R.A. Torrey on the second coming of Christ.
