Hymn of Reflection Grace

When the gospel of grace is unfolded to the understanding, and applied to the heart by the Spirit, the entire man is changed!...Sin will still struggle, but it cannot reign. Sin may for a time prevail, but it will be subdued. The conflict may be severe, and it will last through life—but sin shall not regain the throne, or reduce the Christian to a state of slavery again. The gracious principles implanted within him are immortal, they are holy, they must overcome at length!

James Smith
