---

By the light of nature—  
we see God as a God above us,  
by the light of the law—  
we see Him as a God against us,  
but by the light of the gospel—  
we see Him as Emmanuel, God with us.

Matthew Henry  
1662 - 1714

### Watered Gardens Ministries

Celebrating 25 years of ministry, Watered Gardens has served Joplin and the 4 States Area by helping those struggling with poverty and homelessness to find relief in the present and hope for the future. Successful and meaningful change for people happens at the most local level, where churches, businesses and neighbors work together to move away from handout charity to an approach that empowers those in desperate situation.

The dream is to see our community impact the lives of struggling neighbors - not with loose change passed through a car window, but with life change that only comes through intentional relationship.

With the winter months quickly approaching, Watered Gardens is seeking donations to provide assistance for those in need, with **\$20 providing one night of shelter & care**. Your donation helps extend the loving provision of meals, shelter, safety, and stability to homeless men, women, and families staying in one of 105 beds available on the Watered Gardens campuses. **Through November 10th, Crosspoint will be collecting money for this cause.** If you would like to contribute, please place your financial gift in an envelope and place it in the offering plate. Please note on the envelope the gift is for Watered Gardens.
