Hymn of Reflection Afflicted Saint, to Christ Draw Near

---

It is good to know that there is a coronation after affliction. It is the prelude to an eternal weight of glory! And the glory will be none the less — but all the more, because it has been heralded by the grief. I am fitted for the purity of the glorious inheritance, by the cleansing and refining discipline to which I am subjected on the way to it. I welcome its sunshine and rest, because I have been out in the midnight when the fierce gales were abroad. There are notes and chords in my everlasting song, which never could have been there, if I had not discovered in my afflictions the grace of the Father, the sympathy of the Son, and the comforts of the Holy Spirit.

Alexander Smellie, 1907
