The church of Jesus Christ will never be erased from the face of the earth. He will preserve His remnant in every generation. It is a remnant according to the election of grace. If you earn it, it is not grace. If you deserve it, it is not grace. If you merit it, it is not grace. Grace, by definition, is unmerited, unearned, and undeserved. If it is by works, if it is earned, if it is deserved, if it is by merit, then it is no longer of grace.

O For A Thankful Heart!

As we prepare to celebrate Thanksgiving this week, reflect on the profound words shared by James Smith in a sermon from 1859, as noted below:

Oh, how much we have to be grateful for! Whether we look back at the past, or forward to the future—what cause for praise. The Lord has dealt well with us, according to his word. If we look within, there is God's work, preparing us for glory; or if we look up to heaven, there is God's Son, preparing glory for us. Behind us is the disgrace, the dunghill, and the horrible pit, from which we have escaped; and before us is the honor, the mansion, and the happy home, which we shall soon possess. My heart is moved, my soul heaves with delightful emotions, and no words can express my feelings better than those of David, "Now therefore, O God, we thank you, and praise your glorious name." 1 Chron. 29:13.

*O Jesus, grant us a deep sense of our utter unworthiness,
and of Your unmerited goodness--*

that our souls may daily praise You with joyful lips!

*May we live as thankful dependents on Your gracious bounty;
as grateful, loving children, before our Father and our God
and daily be thankful.*
