Hymn of Benediction Doxology

You have one hard lesson to learn, that is—the evil of your own heart. You know something of it—but it is needful that you should know more...Are not you amazed sometimes that you should have so much as a hope, that, poor and needy as you are, the Lord thinks of you? But let not all you feel discourage you; for if our Physician is almighty, our disease cannot be desperate; and if he casts none out who come to him, why should you fear? Our sins are many—but his mercies are more. Our sins are great—but His righteousness is greater. We are weak—but he is power.

John Newton, 1767
