Reformation Sunday

Today we celebrate Reformation Sunday. Martin Luther. a scholar, took quill in hand, dipped it in his inkwell and penned his Ninety-Five Theses on October 31, 1517. These were intended to spark a debate, to stir some soul-searching among his fellow brothers in the church, The Ninety-Five Theses sparked far more than a debate. The Ninety-Five Theses also revealed the church was far beyond rehabilitation. It needed a reformation. The church—and the world—would never be the same. This movement enabled Reformers to help the church find its way back to God's Word as the only supreme authority for faith and life and leading the church back to the glorious doctrines of justification by grace alone, through faith alone, in Christ alone. As we consider the importance of Reformation Day, let us equip ourselves to be knowledgeable proclaimers and defenders of biblical truth. May we be eager to preach the gospel of God to the world and thereby spark a new reformation of church and culture (Source: Ligonier Ministries)

The five solas (Latin for •alone') of the Reformation will always be relevant because they summarize the biblical gospel. The songs we will be singing this morning are aligned with the five solas:

Soli Deo Gloria - Reformation Hymn
Sola Fide • By Faith
Sola Gratia - Amazing Grace
Solus Christus - In Christ Alone
Sola Scriptura - The God We Love
